The School is located in Formby, a prosperous area of North Liverpool. It enjoys an enviable position being sited next to open countryside and an impressive coastline. Range attracts many high performing children from excellent local primary schools with whom it has good links and longstanding relationships. The school has a strong teaching staff and achieves good academic results. The school became a convertor academy in November 2011.

After being graded 'Outstanding' five times, the school was inspected by Ofsted in November 2018 and was judged to be 'Requires Improvement.' The fundamentals of the school remain sound.
