Dear Parents and Carers

I am writing to you to inform you of a consultation process regarding a proposal for Range High School to sponsor Maghull High School. Maghull High School approached our school with this proposal because we have been supporting them in our role as a Teaching School for over two years. Maghull High School would like to formalise that support by joining our Academy Trust.

The Governing Body of the school has considered this proposal carefully and believes it to be in the best interests of the pupils and that it will bring benefits to both schools. Range High School will benefit from a continued sharp focus on outstanding teaching and learning. Maghull High School will benefit from a rapid improvement in pupil achievement.

Attached is a document outlining the proposal in more detail and the Governing Body have started a formal consultation process with stakeholders, which will end on Friday 19th October 2018.

I would ask you to read the information carefully and consider attending our parent/carer consultation evening on Wednesday 10th October 2018. If you wish to make any comments or ask any questions the details of how to do so are in the attached documents.

Thank you for your continued support of the school.

Yours sincerely

Mr G A Aldridge
Headteacher
