

Remote Learning at Range High School

Hello everyone!

As we continue on our remote learning journey together, we wanted to remind you of a few key points. Most important is that **we are still here for you**, even though you are not in school!

We understand that remote learning is not the same as being in school with a teacher and other adults to support and help you, but it is important that you do as much of the work that you can and ask for help and support when you need it!

At Key Stage 3, we are aiming to set *approximately* 2-3 hours of work each day for you to complete. At Key Stage 4, *approximately* 3-4 hours. Don't worry if you can't complete every single piece of work set, just try to do what you can. **Your best is good enough!**

Please contact your teachers (see below) if you are struggling with technology or a particular piece of work. We will get back to you as quickly as possible.

- All work will be set on **Class Charts**. Please check your account on a daily basis.

Class
Charts

- Your teachers can be contacted by email for questions, queries and help. We will aim to respond within 48 hours, but please be patient.

E-mail
Support

- We will use the school website, Class Charts announcements and our Twitter feed to keep you up-to-date.

News &
Updates

- We're continuing to award rewards on Class Charts and even though you can't buy things from the reward store, we'll be running a 'Range Raffle' every fortnight!

Rewards

Thanks again to you all for your hard work. Support each other, be kind, take care and hope to see you soon!
