

## **FREQUENTLY ASKED QUESTIONS**

### **YEAR 11 RESULTS DAY - AUGUST 2020**

- 1. *My results in one or more of my subjects were not as good as I was expecting. Can I appeal?***

The appeal process is different this year. Only a Centre may appeal to the Exam Board if it believes the Centre itself made an error when submitting a Centre assessment grade or rank order information; or similarly, if it believes an Exam Board made a mistake when calculating, assigning or communicating a grade.

If you are concerned about your results, you should contact school in the first instance on [gcsereults2020@range.sefton.sch.uk](mailto:gcsereults2020@range.sefton.sch.uk) Please note however, that the priority on Thursday 20<sup>th</sup> August will be ensuring that students are enrolled on appropriate courses. As a result, it is likely that queries of this nature will not be dealt with until Friday 21<sup>st</sup> August at the earliest.

- 2. *My results in one or more of my subjects were not as good as I was expecting. Can I sit the Autumn exam in this/these subject(s)?***

Exam Boards will run a full exam series in the Autumn. Exams in the Autumn series will be in the same format as the Summer 2020 exams would have been had they not been cancelled. The Autumn results will be based on students' exam performance alone, with no non-exam assessment (NEA) taken into account apart from in GCSE Art and Design qualifications.

- 3. *If I sit an Autumn exam in this/these subject(s) and my result is worse than my Summer grade, will my Autumn exam result replace my Summer grade?***

Exam Boards are required to issue to any student who requests one, a replacement certificate to show the higher of their Summer and Autumn grades.

**4. *If I sit exams in the Autumn series, when will they take place?***

GCSE examinations will take place between 2<sup>nd</sup> and 23<sup>rd</sup> November

Consider carefully the merits of sitting the examinations, particularly if you have achieved the grades you need to get you to the next stage of your education or training, as you will need to revise Y10 and Y11 work for each subject, as well as getting to grips with your new post-16 courses/training.

If you wish to sit the Autumn exams in one or more subjects, please complete the GCSE Exam Entry Form – Autumn 2020. This is on the RESULTS DAY section of the website. All entries must be returned to school by **Thursday 17th September**
