ATTENDANCE MATTERS

PERSISTENT ABSENCE

If you have attendance of 90% or below, you are considered to be persistently absent from school. 10% or more absence equals 19 days or 95 learning hours lost.

90% attendance = Half day missed every week. Spread over one school year this equals 4 weeks learning lost.

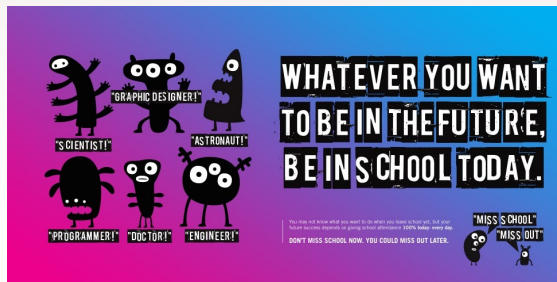

DID YOU KNOW?

10 days absence equals 95% attendance 2 weeks off and 49 lessons missed.

20 days absence equals 89% attendance 4 weeks off and 98 lessons missed.

29 days absence equals 85% attendance 6 weeks off and 147 lessons missed.

Research Shows:

'pupils with no absence are 1.3 times more likely to achieve Level 5 or above, and 3.1 times more likely to achieve Level 5 or above, than pupils that missed 10-15% of all sessions'.

At Key Stage 4 (Years 10 and 11) the study reports that:

'...pupils with no absence are 2.2 times more likely to achieve 5+ GCSEs 9-4 or equivalent and 2.8 times more likely to achieve 5+ GCSEs 9-4 or equivalent including English and Mathematics, than pupils missing 15-20% of Key Stage 4 lessons'.

COMING TO SCHOOL MEANS YOU:

Are more likely to get great qualifications.

Are more likely to stay out of trouble.

Develop understanding and tolerance of other people and their cultures.

Can see friends and make new friendships.

Can take part in lots of different activities.

Develop self-confidence and resilience.

POOR PUNCTUALITY

Being frequently late for school adds up to lost learning:

- ♦ Arriving 5 minutes late every day adds up to over 3 days lost each year.
- ♦ Arriving 15 minutes late every day is the same as being absent for 2 weeks of the year.
- ♦ Arriving 30 minutes late every day is the same as being absent for 19 days a year.

19 DAYS LOST A YEAR THROUGH BEING LATE MEANS 90% ATTENDANCE

The start of the school day is an important time for children to develop their social skills with their peers, as well as preparing them for their learning.

Every school day counts towards YOUR CHILD'S FUTURE...

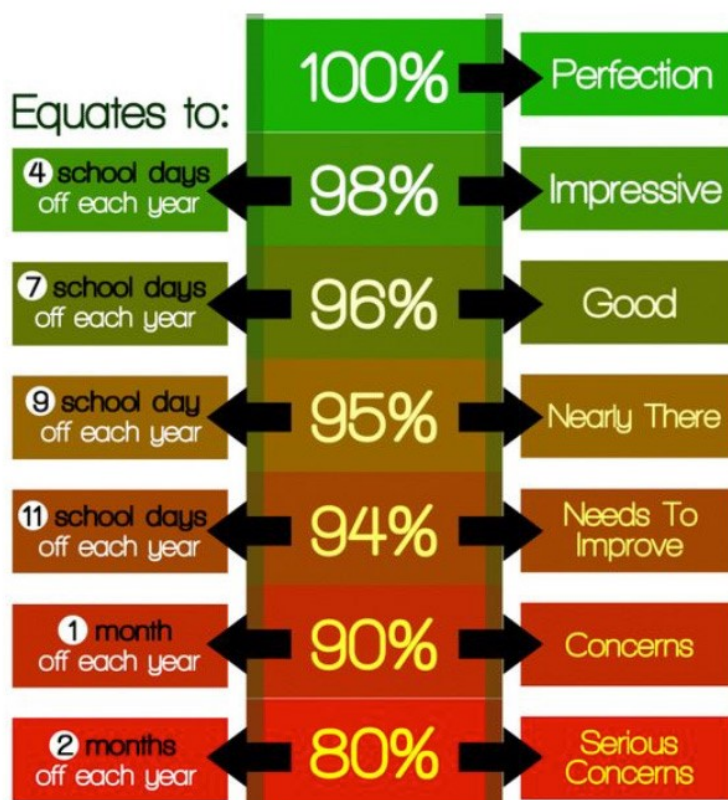

Days off school add up to lost learning. In total, there are 175 non-school days a year.

This gives families the opportunity to:

- ◆ Spend time together
- ◆ Go on family visits
- ◆ Attend routine appointments
- ◆ Go on holiday
- ◆ Go shopping
- ◆ Go for days out

MAKE SURE YOUR CHILD IS IN SCHOOL EVERY DAY.

100% Attendance = 100% Chance

IT IS THE LAW! PARENTS AND CARERS CAN BE FINED AND EVEN SENT TO PRISON IF CHILDREN DO NOT ATTEND SCHOOL.
