

## Transition task 8 – All about You

Using the body outline below I want you to draw an image of yourself. Outside of the image I want you to explain all the hobbies that you enjoy doing and explain all your likes and dislikes so that your tutor can get to know a little bit more about you and who you are. You could include what your favourite sport or musical instrument is, what is your favourite food or colour, who is your favourite sports team or band, where the best place you have been to is and where would you like to go, on holiday, if you could.

## Thinking ahead

Over the last few weeks we have covered lots of different topics about moving to secondary school. Thinking about the move in September, I'd like you to think about the following questions...

- **What are you most excited about?**
- **What are you most worried about?**
- **Do you have any friends who you will be coming with?**
- **What sports are you looking forward to taking part in?**
- **What was your favourite lesson in Primary school?**
- **What other clubs are you hoping to join?**
- **What new subjects are you most looking forward to studying?**
- **Using no more than 3 words how would your friends describe you?**
- **What would you like to know about your new tutor?**
- **Do you know how you will get to and from school?**
- **Do you know what equipment you will need to bring in your bag? State 4 items.**

- **List 3 things you can do to keep yourself safe whilst using the Internet.**

- **Do you know who the Head of Year 7 is?**
