Range High School - GCSE Results 2022

I am delighted to announce record results at GCSE level this year here at Range High School. Our students should be delighted with themselves and rightly proud of all of their hard work, resilience and determination. An astonishing 38% of all of the grades were graded at 7-9 or equivalent to A*/A in the old grading system. Furthermore over 88% of all of the grades were graded 4-9 (A*-C) which represents a huge achievement especially in light of the pandemic and the impact of lockdowns on our students' education.

I would like to congratulate our entire Y11 cohort, their parents and of course our teachers and support staff who have worked tirelessly to support our young people. Well done to everyone, this is an achievement to be celebrated across our entire school community. It is also particularly pleasing considering the record results posted last week following the A-Levels and is further evidence that Range High School is once again establishing itself and its reputation of excellence in Formby and the wider catchment area.

Once again, a huge well done to all of our GCSE cohort and we look forward to welcoming the vast majority of them back to Range for the Sixth Form. Those going on to study elsewhere, we wish you every success in the future.

With best wishes,

Mike McGarry

Headteacher

Range High School - A-Level/BTec Results 2022

We would like to offer a huge congratulations and well done to our Year 13 Leavers' cohort of 2022. Put quite simply the results you have achieved are a credit to you, your families and your teachers.

In terms of outcomes, this is a record year for the school at A-Level with over 42% of all grades at A* or A and 66% of all grades at A* to B. Considering everything that has happened in recent years these results are astounding. Your hard work, determination, resilience and focus have all paid off.

We are delighted that so many of you are now heading off to your university or career path of choice. I know you will join me in thanking your parents and families for all of their support and of course your teachers and staff who have so very often gone the extra mile to ensure you achieved to your potential and beyond.

All of us here at Range High wish you every success as you now start the next very exciting chapters of your lives. Please follow our Twitter feed for lots more detail on general and individual achievements.

With best wishes,

Mr McGarry
