October 2023

Dear Parent/Carer,

You will be aware that we have had a period of consultation on joining The Southport Learning Trust. Thank you to everyone who took the time to share views and come to the meetings. I am delighted to say that having taken those views and discussions on board, our Trustees voted unanimously to proceed with the formal application process. We will now be submitting the required paperwork to the DfE and we will go through the statutory legal requirements with the aim of joining the Trust by September 2024. I will keep you posted on progress with this throughout the year, but fundamentally this will be an exciting development for Range as a school both for the staff and most importantly for its young people. Should you have any further questions, please do get in touch.

Best wishes

Mr McGarry and on behalf of the Board of Trustees
