

July 2025

Dear Parent/Carer

I hope you are well as we start to approach the summer holiday period. It has, once again, been another very busy term here at Range with a whole array of trips, visits, sports activities, Arts activities and other events in recent weeks. I am grateful to all of the staff who have given generously of their time to facilitate and organise all of this. Well done to all of the boys and girls who have participated, won medals, helped or supported. All of this feeds in to our important sense of community. The final week of term will be equally busy with our awards assemblies, our trips day on Thursday, 17th July and our final day on Friday, 18th July when school will finish at 12.30pm for the summer break.

As many of you will know, we very sadly lost one of our Sixth Form students earlier this year. Ruby Jones was a very special person who is deeply missed by so many staff and friends here at school. I would like any mufti-money raised on our last day to go to Claire House, a charity supported by Ruby's family. It would be great if we could help and I suggest a £2 minimum donation from everyone. Please ensure your child passes the donation to their Form Tutor at some point w/b 14th July. Thank you for your generous support of this special, local charity in Ruby's memory.

Our examination season has now come to a close and we have celebrated our two annual proms. Our students looked amazing at both events and we wish them all a restful break following the stresses of exams. Mrs Phillips and Mr Tees will be in touch with the relevant families in relation to the two results days in August.

I will write again towards the end of the summer break with a few reminders for the start of term. Please be advised that the term starts for all students in Years 7-11 on Tuesday, 2nd September. Our new Y7 students will finish slightly earlier on that day at 2.15pm. All students in our Sixth Form will join everyone else in school from Wednesday, 3rd September- Year 12 from 10.15am.

Just before signing off, please check our website in relation to our uniform policy. I know many of our families will be refreshing clothes and shoes over

the summer. Please remember that trainers are not allowed. Again, our website has all of the relevant information.

Finally, thank you to all of you, mums, dads, carers, family members for your support throughout this year. Range can only be the good school that it is by us working together for the benefit of our children so thank you to the vast, vast majority of you who do that on a daily basis.

Wishing you all a relaxing and enjoyable summer break when it arrives. I hope you all get the time to read through the summer edition of our Newsletter which will be issued on the last day of term.

With best wishes,

Mr McGarry
Headteacher
